12. Neighbour City

Known as the “Forest City”, London is the central city of southwest Ontario, between Lake Huron and Lake Ontario, and less than 200 km (2 hours drive) from Toronto. The climate here is suitable for living. Transportation is convenient, and it’s a very safe environment. In addition, there are Western University, as well as Fanshawe College located in the city. London's core industries are education and health care.

13. Town Views

The school is next to Exeter, a beautiful, quiet, town known in Canada as the home of the white squirrel. The town has a long history, with complete public facilities. The town's hospital is only a five-minute drive from the school.

The White Squirrels of Exeter

14. Faculty & Deans` Info

Isabelle. K

Department of Physics & Mathematics

Mrs. Isabelle completed her education in Toronto with a Master of Education at University of Toronto, Bachelor of Physics at the University of British Columbia (UBC). Mrs. Isabelle enjoys teaching a variety of subjects, although her favorites are Pre-Calculus, Physics, Chemistry, Biology, and other general sciences. She has thoroughly enjoyed her 12+ years in education as a tutor and teacher and is thrilled to be joining Huron International School to help make great things happen.

Tracy. L

Department of History

Ms. Tracy completed her education in Toronto with a Masters of Education at University of Toronto. Ms. Tracy also has a Bachelor of Arts (Honors) in History from Western University. Ms. Tracy enjoys teaching students to look at the world in new ways through language arts and social studies. She is passionate about teaching humanities not as a set of facts, but as skills and competencies that students can use in other contexts.

Ashle. W

Department of Language & literature

Ms. Ashle is excited to be a part of the Huron International School. Her educational background includes a Bachelor's degree specialization in English literature with a minor in history as well as a Master's degree in education. She is grateful to have had the opportunity to teach in a variety of settings.

Kasia.V

Department of Computer Science

Dr. Kasia graduated from university of Toronto, Department of Computer Science. Dr. Kasia always committed to providing innovative learning opportunities customized to each student, to nurturing a love of learning and to guiding students to realize their true potential. Through a wide range of educational programs, extra individualized support to students and parents and extracurricular projects and clubs, we prepare our students to thrive in this ever-changing society.

Teresa. M

Department of Mathematics

Dr. Teresa is Ph.D. in Mathematics at Simon Fraser university. She have been invited speaker at more than 10 international conferences in the world.

Erika. H

Department of Business

Mrs. Erika has been teaching in the United States for the past four years and has just moved back home to Canada. She has a Master of Business and a Graduate Bachelor in Education.

Brenton. S

Department of Arts

Mr. Brenton studied Music Therapy at University of British Columbia. He has facilitated music groups and recording projects for elementary schools, preschools, college, community centres.

Simon. J

Department of Science

Mr. Simon comes from a scientific background, having completed a Master of Science Honours Kinesiology degree from York University. He has spent the last 5 years working with teenagers as a tennis and fitness coach. Simon has a particular liking for scientific and inquiry based learning strategies, as he believes all people learn best when studying something they are passionate about. He is looking forward to learning more about teaching gifted students and further getting to know the unique personalities present at Huron.

Julie. G

Department of Arts

in Boston, US, where she received Master's Degrees in Education and with a minor in Fine Arts. Mrs. Julie has received special training in teaching

15. School Principal & Contact Info

Charles Park

Huron High School, Principal

The Principal is responsible for the educational leadership and management of our school. If you would like to speak to the Principal, please contact us to make an appointment.

Principal Charles Park studied educational disciplines and completed his Master of Education (M.Ed.) at National Osaka Educational University in Japan.

Over a 20-year period, he taught and led educators in several high-performing independent schools and private educational groups in South Korea, Japan, and Canada.

He holds a Certificate of International Marketing from Ontario, Canada, and also held an executive position in the field of marketing and school operations.

He is committed to continuing the development and globalization of the school, striving to maintain its status as a first-class institution.
